Item 6 of the Original Schedule 13D is hereby amended and restated in its entirety as set forth below:

The information in Item 3 regarding the terms of the Letter Agreement and Convertible Debenture is incorporated by reference herein to the extent applicable.

Participation Agreement

On January 1, 2018, the Issuer entered into a participation agreement (the "Participation Agreement") with Delek GOM Investments, a subsidiary of Delek Group, and Texas South Energy, Inc. ("Texas South") governing the parties' participation in the drilling of a multi-phase exploration program targeting the Issuer's prospects located on the Issuer's existing leases. Pursuant to the Participation Agreement, Delek Group will have the right to enter into a stock purchase agreement to purchase up to 5% of the Issuer's Common Stock for each phase (capped at 20% in the aggregate), upon the fulfillment of milestones and obligations for each phase, at a price per share equal to a 10% discount to the 30-day weighted average closing price for the Common Stock preceding the purchase. This right to enter into a stock purchase agreement to purchase shares of the Issuer's Common Stock will expire on January 1, 2020. On March 11, 2019, Delek GOM Investments notified the Issuer that it is exercising such right under the Participation Agreement to enter into a stock purchase agreement. The Parties have not yet entered into any stock purchase agreement or any other agreement with respect to the exercise of the right.

Term Loan Agreement

On March 1, 2019, the Issuer entered into the Term Loan Agreement by and between the Issuer, as borrower, and Delek GOM Investments, as lender. In the Term Loan Agreement, Delek GOM Investments agreed to provide the Issuer with multiple draw term loans in an aggregate stated principal amount of up to \$11.0 million (the "Term Loan Facility" and the loans thereunder, the "Loans"). As of March 7, 2019, the Issuer had borrowed a total of \$10.0 million under the Term Loan Facility. The maturity date of the Term Loan Facility is six months following the closing date of the Term Loan Agreement. Until such maturity date, the Loans under the Term Loan Agreement shall bear interest at a rate per annum equal to 5.0%, payable in arrears on the maturity date. If an event of default occurs, all Loans under the Term Loan Agreement shall bear interest at a rate equal to 7.0%, payable on demand. The Term Loan Agreement contains certain customary representations and warranties, certain affirmative and negative covenants and certain events of default. Amounts outstanding under the Term Loan Agreement are secured by a security interest in substantially all of the properties and assets of the Issuer.

In connection with the exercise of the Warrants, Delek GOM Investments extinguished the Issuer's outstanding obligations under the Term Loan Agreement as of March 6, 2019. If the Issuer requests additional Loans up to \$1.0 million under the Term Loan Agreement, the Issuer will be obligated to issue a new warrant to purchase the number of shares of Common Stock equal to the quotient of the total Loans divided by \$0.042, with an exercise price of \$0.042 per share.

Registration Rights Agreement

On March 25, 2019, the Issuer and Delek GOM Investments entered into a registration rights agreement (the "Registration Rights Agreement") pursuant to which the Issuer has agreed to file a registration statement upon demand relating to the registered resale from time to time of (i) shares of Common Stock issued or issuable upon the exercise of the Warrants and (ii) certain other shares of Common Stock owned or acquired by Delek GOM Investments or its affiliates. The Registration Rights Agreement also provides piggyback registration rights. In connection with the Post-Drilling Agreement, the Issuer has agreed to amend the Registration Rights Agreement to include the shares of Common Stock underlying the Insurance Proceeds Shares.

Post-Drilling Agreement

On October 22, 2019, the Issuer entered into the Post-Drilling Agreement pursuant to which, among other items, the Issuer agreed to issue the Insurance Proceeds Shares and issue the Convertible Debenture, as described below, as payment of the Term Loan Payoff under the Term Loan Agreement. In addition, the Issuer agreed to amend the Registration Rights Agreement as described above.

Convertible Debenture

On October 22, 2019, the Issuer issued the Convertible Debenture to Delek GOM Investments. The Convertible Debenture is convertible at the option of Delek GOM Investments at any time in whole or in part for up to 24,410,960 shares of Common Stock at a conversion price of \$0.05 per share. Interest on the Convertible Debenture

is accruable at 12% per annum and the maturity of the Convertible Debenture is October 22, 2020 (which interest rate will increase to 15% per annum upon any Event of Default). The Issuer has a right to prepay the Convertible Debenture prior to maturity for an amount equal to the outstanding principal balance plus accrued and unpaid interest. Absent any restrictions under the federal securities laws, Delek GOM Investment's ability to sell shares of Common Stock issued upon conversion of the Convertible Debenture will be limited, in any one-month period, to 10% (ten percent) of the total volume of such converted shares.

Letter Agreement

On October 1, 2020, the Issuer and Delek GOM Investments entered into the Letter Agreement pursuant to which the Issuer agreed to repay Delek GOM Investments in full the principal, interest and fees owed on the Convertible Debenture issued to Delek GOM Investments on October 22, 2019 with a principal amount of \$1,220,548. The Loan Payoff Amount of \$1,349,759 (\$1,220,548 of principal and \$129,211 of accrued and unpaid interest as of September 30, 2020) paid by the Issuer consisted of a cash payment of \$1,220,548 and 17,500,000 shares of Common Stock. Upon receipt of the Loan Payoff Amount, (i) all liabilities, obligations, and indebtedness of the Issuer for credit extended under the Convertible Debenture, interest thereof and fees thereunder will be deemed fully paid and discharged, and (ii) the Convertible Debenture will be deemed terminated and of no further force and effect, except for provisions of the Convertible Debenture which by its terms survive the payment of the principal amount and interest.

The foregoing descriptions of the Participation Agreement, Term Loan Agreement, the Warrants, the Registration Rights Agreement, the Convertible Debenture and the Letter Agreement are qualified in their entirety by reference to such agreements, copies of which are filed as Exhibits 7.1, 7.2, 7.3, 7.4, 7.5 and 7.6 hereto, respectively, and incorporated herein by reference.

Re: Convertible Debenture issued by GulfSlope Energy, Inc., a Delaware corporation ("GulfSlope"), to Delek GOM Investments, LLC, a Delaware limited liability company ("Delek"), on October 17, 2019, in the original principal amount of \$1,220,548 ("Debenture")

Ladies and Gentlemen:

This letter agreement (the "Agreement") shall set forth the understanding between Delek and GulfSlope regarding the amount (the "Loan Payoff Amount") necessary, as of September 30, 2020 (the "Scheduled Payoff Date"), to pay all principal, interest, and fees owing under the Debenture. Capitalized terms used but not otherwise defined herein have the meanings given to them in the Debenture. The Loan Payoff Amount is set forth below:

Principal Amount	\$1,220,548
Accrued and unpaid Interest	\$129,211
Loan Payoff Amount	\$1,349,759

The parties hereby agree that GulfSlope may fully satisfy the Loan Payoff Amount in exchange for the following consideration:

Cash Payment Amount	\$1,220,548
Shares of Common Stock	17,500,000

The Cash Payment Amount portion of the Loan Payoff Amount set forth above must be paid at or before 4 p.m. (New York City time) on the Scheduled Payoff Date. On or before the third Business Day following the Scheduled Payoff Date (the "Share Delivery Date"), GulfSlope shall (i) if legends are not required to be placed on certificates of Common Stock and provided that the Transfer Agent is participating in the Depository Trust Company's ("DTC") Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which Delek shall be entitled to Delek's balance account with DTC through its Deposit Withdrawal Agent Commission system or (ii) if the

Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver a certificate, registered in the name of Delek, for 17,500,000 shares of Common Stock, which certificates shall not bear any restrictive legends unless required pursuant to federal or state securities laws and the rules and regulations of the Commission or state securities authorities to:

The payment of both the Cash Payment Amount set forth above on the Scheduled Payoff Date and the issuance of the 17,500,000 shares of Common Stock to Delek on or before the Share Delivery Date shall constitute payment and satisfaction in full of all principal and interest owed to Delek (other than any contingent obligations for which no claim has been made that expressly survive the termination of the Debenture).

This Agreement confirms that, immediately upon receipt by Delek of the Loan Payoff Amount, (i) all liabilities, obligations, and indebtedness of GulfSlope for credit extended under the Debenture, interest thereof and fees thereunder shall be fully paid and discharged, (ii) the Debenture shall be deemed terminated and of no further force and effect, except for provisions of the Debenture which by their terms survive the payment of the principal and amount and interest, and (iii) Delek shall promptly procure, deliver or execute all further instruments and documents, and take any other actions, which are reasonably required and reasonably requested by GulfSlope to evidence the consummation of the payoff and other termination of the security interests contemplated hereby, in each case without recourse, without representation or warranty of any kind (either express or implied) and solely at the request and expense of GulfSlope.

All payments by GulfSlope hereunder shall be made in lawful currency of the United States of America and in immediately available funds, without setoff or counterclaim. Whenever any payment hereunder shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day.

Notwithstanding anything herein to the contrary, if at any time all or any part of the Loan Payoff Amount or any other amount paid in respect of the obligations, is or must be rescinded, disgorged or otherwise returned by Delek for any reason whatsoever (including the insolvency, bankruptcy, reorganization or similar proceeding involving GulfSlope), the obligations, to the extent that such payment is or must be rescinded, disgorged or otherwise returned, shall be deemed to have continued in existence, notwithstanding any application by Delek, and the Debenture shall continue to be effective or be reinstated, as the case may be, as to such obligations, all as though such application by Delek had not been made.

GulfSlope represents and warrants that it has reserved and has available out of its authorized and unissued shares of Common Stock solely for the purpose of issuance of the shares of Common Stock hereunder, free from preemptive rights or any other actual contingent purchase rights of persons other than Delek, not less than 17,500,000 shares of the Common Stock. GulfSlope covenants that all such shares of Common Stock shall, upon issue, be duly and validly authorized, issued and fully paid, nonassessable and registered for public sale in accordance with such Underlying Shares Registration Statement.

Nothing herein shall limit Delek's right to pursue actual damages or declare an Event of Default under the Debenture for GulfSlope's failure to deliver the Cash Payment Amount or certificates representing shares of Common Stock within the period specified herein and Delek shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief, in each case without the need to post a bond or provide other security. The exercise of any such rights shall not prohibit Delek from seeking to enforce damages pursuant to any other provision of the Debenture or under applicable law.

From and after the date hereof, GulfSlope agrees to reimburse Delek for costs incurred for any legal opinions paid for by Delek in connection with sale of shares of Common Stock issued pursuant to this agreement (provided that GulfSlope has first had the opportunity to obtain such a legal opinion on behalf of Delek). Delek shall notify GulfSlope of any such reasonable costs and expenses it incurs that are referred to in this section from time to time and such reasonable amounts owed hereunder, not to exceed \$650 for any single legal opinion, and not to exceed \$5,000 in the aggregate without GulfSlope's prior written approval. Such costs shall be paid by GulfSlope on or before the tenth Business Day following after written request therefor from Delek.

This letter may be executed by the parties hereto individually or in any combination, in one or more counterparts, each of which shall be an original and all of which shall constitute one and the same letter. Delivery of an executed counterpart of a signature page to this letter agreement by telecopy or other electronic transmission shall be effective as delivery of a manually executed counterpart of this letter.

Notwithstanding anything to the contrary set forth herein, Delek shall not be required to physically surrender the Debenture to GulfSlope.
